Diaper Dash!

Care for a Cause hit the ground running this Fall, quite literally! As part of our ongoing partnership with Babies & Beyond, a local nonprofit dedicated to empowering parents in need and providing them with essential supplies, we enthusiastically joined forces for their annual 5k Diaper Dash in September. The atmosphere at the event was incredible to experience, as we were all fueled by a common cause and the pure joy of being part of something impactful.

The event, designed for families, was made even more delightful with the addition of our bustling face painting station! From fierce tigers to cheerful flowers and rainbows, we turned eager faces into

colorful works of art. It was an absolute blast, and the joy on the faces of those we painted was contagious.

We also had the pleasure of capturing the essence of the day, snapping over 100 photos of spirited volunteers, dedicated runners, and joyful families. Bella Schuelke, our club president, notes that taking photos of runners as they crossed the finish line was a very memorable and special part of the event for her; "It felt so good to be part of their accomplishment!"

As the event came to a close, the sense of fulfillment among our volunteers was palpable. We left the event full of gratitude and eager to return next year. Care for a Cause hopes to be a part of this fantastic event in the years to come, knowing that our involvement brought not just face paint and photographs, but also smiles, laughter, and a sense of community to all who attended.

Until next time,

The Care for a Cause Team
